This year marks the 30th Anniversary of the Seattle AWIS Chapter!

Join us to celebrate the accomplishments of two women that have contributed to the vibrant scientific community in Seattle and usher in the next generation of scientists with 7 undergraduate scholarships.

Ticket price includes dinner, wine followed by cash bar, dessert, inspirational presentations by the awardees, and the opportunity to expand your scientific community. All are welcome to attend this event.

Donations to the scholarship fund enter you in a raffle to win prizes!
