

The Seattle AWIS Monthly Programming Series presents:

A Visit to the Center for Infectious Disease Research

Wednesday, November 18th 2015 – 6:00pm

Center for Infectious Disease Research
307 Westlake Ave. N, Seattle, WA 98109

6:00 pm - Networking and Refreshments
6:30 pm - Introductions
6:45 pm - Short Talks from Scientists
7:30 pm - Lab tours
7:45 pm - Networking and Dessert

Come learn about the exciting and innovative research at the Center for Infectious Disease Research, the largest independent, non-profit organization focused on infectious disease. Our scientists strive to develop diagnostic tools, vaccines, and treatments for some of the world's most devastating diseases, including tuberculosis, malaria, and HIV.

Our distinguished speakers are:

Laura Green, Ph.D. – Postdoctoral Scientist, Sherman Lab
Alexis Kaushansky, Ph.D. – Assistant Professor
Suzanne McDermott, Ph.D. – Postdoctoral scientist, Stuart Lab
Ashley Vaughan, Ph.D. – Senior scientist, Kappe Lab
Lisa Shelton, RNP and Emma Fritzen, M.S. – Malaria Clinical Trials Center
Marilyn Parsons, Ph.D. - Professor
Shahin Shafiani, Ph.D. – Senior Scientist, Urdahl Lab

AWIS programs are FREE and open to members and non-members, both men and women!
