

The Seattle AWIS Monthly Programming Series Presents:

Social Media and Activism in Science

Co-sponsored by Hutch United

Wednesday – January 20th, 2016 – 6:00pm

Fred Hutchinson Cancer Research Center – Pelton Auditorium

1100 Fairview Ave. N., Seattle, WA 98109

6:00 pm - Networking and Refreshments

6:30 pm - Introductions and Program

7:45 pm - Networking and Dessert

Come learn about how scientists can use social media to promote their work and the work of their colleagues. We will talk about how to effectively communicate with both the scientific community and the general public. Additionally, we will discuss how to use social media to advance causes that are important to creating a supportive and inclusive environment in science.

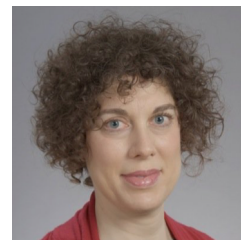

Our distinguished panelists are:
