

Research Institute

The Seattle AWIS Monthly Programming Series presents:

A Visit to Seattle Children's Research Institute

Wednesday – March 15, 2016 – 6:00 PM

Seattle Children's Research Institute

Jack R. McDonald Building, 1900 9th Ave, Seattle, WA 98101

6:00 PM – Check-In, Networking, and Refreshments

6:30 PM – Introductions

6:45 PM – Program and Lab Tours

Join us to learn about the exciting research happening at Seattle Children's Research Institute (SCRI). SCRI is one of the nation's top pediatric research organizations and strives to help all children live a healthy and fulfilling life. Come listen to short talks from bench and clinical researchers, as well as, the collaborative efforts to translate research into innovative products. Arrive early to grab a ***limited ticket for a lab tour.***

Also, stop by the Research HR table to learn more about working at SCRI.

We will be joined by:

Elizabeth Aylward, Ph.D. – Director, Office of Science-Industry Partnerships

Krista Geister, Ph.D. – Postdoctoral Fellow, Beier Lab

Lisa Maves, Ph.D. – Principal Investigator, Maves Lab

Nikita Midamba, MS – Clinical Research Associate, SMAHRT Lab

Sowmya Pattahbi, Ph.D. – Senior Staff Scientist, Scharenberg Lab

Upon arrival, all guests must proceed to the 1st floor building lobby for check in.

Seattle AWIS programs are FREE. All over 18 are welcome – members, non-members, women, and men!

Paid parking available. More information at <http://www.seattleawis.org/>.
