

**Join Seattle AWIS
for an evening of celebration and inspiration!**

**Friday - June 3, 2022 - 6:30-10:00pm
UW Center for Urban Horticulture
3501 NE 41st St, Seattle, WA 98105**

The AWIS Banquet promises to be an inspirational evening. Hearing from the 2022 AWIS award winners, meeting AWIS undergraduate scholarship winners and enjoying the company of other supporters of women in science will make for a memorable evening.

Seattle AWIS will be honoring three outstanding women who have advanced their fields of science, technology or education/outreach. They are leaders and innovators whose work has made an impact. They are mentors and inspiring role models for students and other professionals.

You are invited to sponsor a table for the 2022 June banquet!

Table sponsorship provides an opportunity for companies and organizations to demonstrate support for women in STEM and recognize and thank individuals within the company by providing complimentary banquet tickets. Your financial support enables Seattle AWIS to host this event that inspires our community, especially women, of all ages, at all career levels and in all STEM fields.
