2024 AWARDS BANQUET
Tuesday - June 18, 2024 - 6:30-9:30 pm
UW Center for Urban Horticulture

The AWIS Banquet promises to be an inspirational evening. Hearing from the 2024 AWIS award winners, meeting AWIS undergraduate scholarship winners and enjoying the company of other supporters of women in STEM will make for a memorable evening.

Seattle AWIS will be honoring four outstanding women who have advanced their fields of science, technology or education/outreach. They are leaders and innovators whose work has made an impact. They are mentors and inspiring role models for students and other professionals.

Sponsor a table for the 2024 June banquet!

Table sponsorship provides an opportunity for companies and organizations to demonstrate support for women in STEM and recognize and thank individuals within the company by providing complimentary banquet tickets. Your financial support enables Seattle AWIS to host this event that inspires our community, especially women, of all ages, at all career levels and in all STEM fields.
